Message from the Chairman's Desk

I have great pleasure to share my message through this "CONCORD". The Academic year 2019-2020 is memorable in many aspects. In the garden of our educational institution, our students are buds and faculty members are the flowers, as they are blossoming everyday through their achievements with their unconquerable hard work. Insertion of a new programme UG Botany is need of the hour to cater the biological scientists and it adds a "Feather to the Cap - SASC". Our Academic programmes and the inclusion of human values have given enlightened students to our society. The college has acquired greatest strength in curricular and extra-curricular activities. The Selvamm Institutions aim at producing employable graduates with flawless character and education, dedication and sports abilities in order to uplift the present generation from the shackles of Ignorance, Poverty, Communal disharmony etc. This SASC newsletter highlights the various activities and academic achievements of various departments. The fortitude of Selvites is proved by the medals and prizes won in various activities. I hope every bud of this institution has a bright future whose every sweet efforts with confidence make them live in a successful manner. Definitely they will feel the sweet of success. Finally I would like to wish my buds all the success for their career.
