PRAYER BEFORE CLASS / STUDY

O God, Almighty!
Enlighten the spirit of Selvamm!
Lead us in your glorious way!
Direct us to truth and justice!
Let our Selvamm shine!

Bestow the power of Love and Unity
To serve the poor and oppressed!
Build our minds with pride and love
To face the world so bold!
Let our Selvamm shine!

Bless us to bring tribute to our nation
Fill our hearts to serve others
Strengthen our minds in storms of strife
With a torch of truth in our lives!
Let our Selvamm shine!

PRAYER FOR STRENGTH

This is my prayer to you, my Lord –
Strike, strike at the root of penury in my heart;
Give me the strength lightly to bear my joys and sorrows;
Give me the strength to make my love fruitful in service'
Give me the strength never to disown the poor
or bend my knees before insolent might;
Give me the strength, to raise my mind high above daily trifles;
And give me the strength to surrender my strength to your will
with love.

- Rabindranath Tagore

A TEACHER'S PRAYER

First and foremost, I love teaching;

Teaching is my mission. Being a teacher, I am making an important contribution to the efforts of National Development.

I become worthy when I am capable of evaluating the average student to the higher level.

I organise my way of life in such a way that

My life itself becomes a message for my students.

I will encourage my students to have interactive learning.

I will treat all the students equally without partiality on account of religion, community or language.

I will keep on cultivating my own capacities in teaching, so that I can impart quality education to my students.

And I will always celebrate the success of my students.

His Excellency
Dr. A.P.J. Abdul Kalam,
Former President of India.

A TEACHER'S CREED

I believe that teaching is more than a job or a profession. It is a vocation.

I believe that my vocation as a teacher is of supreme importance in the training of the human soul for an eternal destiny.

I believe that on God's part there is nothing accidental in the case of each student who enters my classroom.

I believe that without daily prayer for patience, strength and the guidance of the Holy Spirit, I cannot hope to fulfill my high calling.

I believe that teacher must love youth and believe in the essential integrity and sincerity of youth.

I believe that teaching is more than instruction – it is also guidance and friendship.

I believe that the person taught, is of vastly more importance than the subject taught.

I believe that I should be guilty of grave injustice were I to discriminate against a student because of race, colour or creed.

I believe that I owe the same professional interest towards students of all intellectual levels.

I believe that if I reproach a student for lack of intelligence, I shall be reproaching the creator who so endowed him.

I believe that favouritism in the classroom can never be tolerated or condoned.

I believe that justice to myself as a teacher and to my students demand that I make adequate preparation for every class.

I believe that tangible proofs of gratitude from students should never be expected. Teacher's rewards are all in the future.

I believe that youth is extremely sensitive and can be deeply wounded by public posting of grades or other indiscriminate comparisons.

I believe that firmness and patience are the most effective weapons against the misconduct or insolence of youth.

I believe that a small kindness is taller than the highest wrong.

I believe that penalties must be determined by charity and with regard for the student's present and future reputation.

I believe that no injury on the part of a student is beyond the forgiveness of the teacher.

I believe that loyalty to my school, to my students and to my fellow teachers forbids the publishing of their shortcomings except to a competent authority.

I believe that appreciation and encouragement of my students and fellow teachers will do wonders for their morale as well as my own.

I believe that I should never cease to increase in the knowledge of my subject, and to improve in my teaching techniques.

I believe that my students shall pass through my classes but once. If there is anything, therefore, that I can do to help them live useful lives, let me not delay nor neglect it, for they shall not pass my way again.

HISTORY OF THE COLLEGE

Dr. P. Selvaraj, a philanthropist and a pioneer in the poultry industry established Selvamm Arts and Science College on 3rd August 2000, under the auspices of V. Ponnusamy Educational and Charitable Trust, which was formed in the fond memory of his late father. The college is fully self-supporting and it has been founded to serve the youth of the predominantly agricultural, underprivileged and downtrodden families in the neighbourhood.

Selvamm Arts and Science College is an affiliated First Grade College under Periyar University, Salem. The college imparts sound formation of religious, academic, social and physical values to the youth. The college trains young men and women of quality to be leaders in all walks of life so that they may serve the people of the Nation with Truth, Justice and Love.

Accordingly, this college strives to be an agent of social change, instilling an awareness of the great need in India for social justice based on dignity of human being. Thus, it strives to make its own contribution towards transformation of present social condition, so that justice, equality and the moral values enshrined in the constitution of India may prevail in the daily life of every citizen of India.

Started with 3 courses, 7 faculty members and an initial intake of 77 students in a temporary building on the Trichy Road, the college was shifted to the present sprawling Selvam Campus, the next year, 2001.

At present, the College has a student strength of about 3000- mostly from the vernacular medium with the ratio of men and women students being **64:36**. Their economic background is poor and their school education has been acquired through the vernacular medium. A team of **161** dedicated faculty members is committed to duty, discipline and service. The college offers **19** UG, **10** PG, **9** M.Phil. and **1** Ph.D. programmes, **75** certificate courses and **31** Skill Based Courses which have high employment potential, with the aim of making the students employable, self employable or becoming entrepreneurs.

Within a span of nineteen years, the College has grown vertically and horizontally thereby providing upward mobility to our students. This institution attempts to enrich the students with an education, which is intellectually challenging, ethically sensitive, socially compassionate and academically sound.

Choice Based Credit System (CBCS)

The college is following the Choice Based Credit System for the students admitted in UG and PG Programmes from the academic year, 2008-2009.

OBJECTIVES

- * To provide mobility and flexibility for the students within and outside the department
- * To provide broad-based education
- * To enable students to learn at their own pace
- * To provide students scope to acquire extra credits
- * To impart students more job-oriented skills
- * To make any course multidisciplinary in approach

CBCS - FEATURES

- * Students have a good deal of freedom in designing their own curriculum to suit their needs & Interests.
- * They can take any course offered in any department as long as they fulfill the prerequisites for that course
- * They can also take as many courses as they can handle, subject to a maximum of 30 credits in any semester

- * Students who have difficulties may choose a slower pace, while brighter students may complete the programmes earlier than the prescribed period of study.

CBCS – Types of Courses

- ❖ Core Courses - A set of courses that a student must complete to get the degree.
- ❖ Allied Courses - A set of courses where limited choice is given and the student may choose from this restricted set.
- ❖ Elective Courses - A set of skill based elective courses left completely to the choice of the student and his / her advisor.
- ❖ Non-Major Elective Courses - A set of non-major electives, including language courses other than Tamil and English course of his / her choice.

CONTINUOUS INTERNAL ASSESSMENT (CIA)

For each course there is both formative Continuous Internal Assessment (CIA) and Summative Semester Examination with the weightage in the ratio 25 : 75 (Theory) and 40:60 (Practical / Project) for 2015 - 2016, 2016 - 2017, 2017 - 2018 and 2018 - 2019. The CIA consists of three components:

1. Three organized written tests (2 CIA Tests & 1 Model Exam)
2. Five snap Testes, Assignments
3. Attendance / Seminars

To get a pass in a course, a UG student must secure a minimum of 40% each in CIA and Semester Examination; A PG student must secure a minimum of 50% each in CIA and Semester Examination. A student cannot sit for the Semester Examination unless he/she obtains the minimum of 40% for UG and 50% for PG in the CIA.

CBCS – PERFORMANCE & GRADES

The performance of the students is indicated by letter grades based on relative grading as follows :

Letter Grade	Grade Points	Range of Marks	Description
O	9.0 - 10.0	90 - 100	Outstanding
D+	8.0 - 8.9	80 - 90	Excellent
D	7.5 - 7.9	75 - 79	Distinction
A+	7.0 - 7.4	70 - 74	Very Good
A	6.0 - 6.9	60 - 69	Good
B	5.0 - 5.9	50 - 59	Average
U	0.0	0 - 49	Re-appear
AAA	0.0	Absent	Absent

CBCS – RESULTS

- * Pass - A student is deemed to have completed a course successfully and earned the appropriate credit only if he receives a grade of E and above.
- * Fail - a grade of F or FA denotes failure in the subject.
- * Improvement - A subject successfully completed can be repeated for improvement at any time of his/her choice.

Evaluation System

Evaluation and assessment of students in the academic performance on a continuous basis are necessary in shaping the intellectual strength of the students. The Departments will be giving assignments and conducting monthly tests in

addition to the periodical internal examinations. To keep a close observation on the students' academic performance and general behaviour, both on and off the campus, each Mentor is assigned the responsibility of supervising the overall performance of 20-25 students of his/her class. The Mentor is solely responsible to maintain the traditions and values built up over the years by the institution. The teaching staff will be conducting regular, monthly tests, giving assignments, etc.

DISCIPLINE

The institution moves on the four wheels of Discipline, Sound Education, Sports and Service. Discipline is the primary aim of this institution and students are expected to adhere to it. The teaching and non-teaching staff and the students of the college are instructed to follow strict discipline. In the college, each class room features public address system, which helps to begin the day with invocation. The latecomers are assigned to spend one hour in the library after college hours and this practice reduces the number of late comers.

COUNSELLING

Dr. Pearl Kittu, counsellor of the college provides counselling to all the Staff members and Students

REMEDIAL AND COACHING

The college conducts remedial classes for the slow learners in the subjects English, Maths, Computer Science and Accountancy.

SKILLS THROUGH ENGLISH (STE)
