

About the College

Selvamm Arts and Science College (SASC) was established by the pioneer in poultry industry and a philanthropist, Dr. P.Selvaraj in 2000, under the auspices of V.Ponnusamy Educational and Charitable Trust, which was formed in the fond memory of his late father.

The college is enlisted by the UGC under 2(f) in Sept. 2007 and 12(B) in Nov. 2010. The College was granted the Autonomous Status in July 2011. The College was re-accredited by NAAC at 'A' grade in 2014. Our laboratories enable the students and researchers to keep abreast of emerging trends and applications.

The College offers 18 UG, 11 PG, 9 M.Phil. and one Ph.D., Programmes, 32 Certificate courses which encompass high employment potential, with the aim of making the students employable or becoming entrepreneurs. A striking feature of SASC is the well planned, comprehensive infrastructure including high speed internet connection for both students and faculty members. Our college serves to the neighbouring community by conducting different programmes in different sectors like NSS, RRC, YRC, Rotaract, Daily a Good Deed, Lab to Land, Empowering the Rural People (ERP) and Nature Club.

Location

The College is situated along Salem Road NH-44 and 6 kms from Namakkal and 20 kms from Andagalour gate.

About the Department

The Department of Mathematics was established with B.Sc. Mathematics in the year 2003-04 and M.Sc. Mathematics in the year 2003-04. M.phil Course was introduced in the year 2007-08. Our department promotes quality education in Mathematics in order to help them to grow in mathematical reasoning. The department focus on academic and non-academic Program and activities like Seminar, Exhibition, Maths-Quiz and potential education for the students.

About the Workshop

The aim of the Workshop is to create an overall understanding in "Recent trends in Algebra and Applied Mathematics". Mathematics, being the Queen of Science provides the learner infinite opportunities to create intelligent innovation. The goal of the workshop is to achieve theoretical knowledge and practical applications of mathematics in related fields.

It will also provide a platform to young researchers, teachers, and students to explore the areas of research by exchanging ideas through interaction and Fruitful discussions.
