Message from the Principal's Desk

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations", With great pleasure, I am penning the message for the College magazine CONCORD. The role of a College is not only to pursue the academic excellence but also to motivate and empower the students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. Converting every individual into a self-reliant and independent citizen, our College provides an amalgam of scholastic and co-scholastic activities. Providing good quality modern education including a strong component of cultural values, environment awareness and physical education to children in rural areas is the prime motto of SASC. A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create this College as a Student-Centric College. I congratulate the entire team for their hard work and dedication for making this magazine CONCORD. The reflection of the students and teachers hard work is the epitome of this magazine. I am sure that the positive attitude, hard work, sustained efforts of the staff and students will surely stir the mind of the readers. "Success comes to those who work hard and stays with those who don't take rest on the laurels of the past".
